

Web Eminence Complete Website Package Agreement

Included In Complete Website Package: Domain name (if needed), hosting, web design implementation, ongoing monthly maintenance (2 hours/month max), Web Eminence *Search Engine Marketing Guide*

Number of Pages: \$490 one-time fee includes up to 7 pages. Additional pages can be added for an additional fee. After the initial setup of the website, the monthly maintenance fee covers the maintenance of the pages created during the initial setup of the website. Additional pages can be added later but will be quoted at the hourly rate. If you are posting to a blog on your site, the number of blog posts is unlimited and does not count towards total pages.

Payment: One-time fee of \$490 plus \$29/month starting 30 days from payment of one-time fee. Payment is by credit card only. Payment can be completed at www.webeminence.com/payment-cwp

Completion Time: A standard 7-page website is typically completed within 3-4 weeks of payment and receiving all materials (pictures, content, etc.) required to complete the site. Every website is different and completion time depends on speed of communications and complexity of the project.

'Hosting Plus' Option: After 12 months of payment on the Complete Website Package, client has the option of reducing monthly payment to \$9 per month for the Hosting Plus Service. No ongoing maintenance is included in the Hosting Plus Service. However, maintenance will be completed upon request at the hourly rate.

Hourly Rate: The hourly rate is \$30. This rate is charged for any work over the 2 hour monthly limit. Payments must be made in advance for work completed at the hourly rate based on a quoted amount.

Missed Payment: You will be notified if payments are missed. Payments over 30 days late will result in a warning email followed by deactivation of the client's website. Website can be reactivated upon payment. Repeated missed payments may result in immediate deactivation of website.

Cancellation: The service can be cancelled at any time. No refunds for previous payments will be given. All the website files will be made available upon request.

Domain Name Ownership: If a domain name is requested as part of the package, the domain name will be managed by Web Eminence during the time of service but will be transferred to the client at any time by request. Client's credit card billing address will be used for domain owner contact info at the time of registering the domain name. Please contact me if you would like this contact info to be changed.
